2. BABA Admissions Software

BABA Admissions software package is composed of following components:

1. Web Application Software Package (Hosted or Standalone)
2. MSSQL Server Database (Media Files or Script)
3. One Time Purchase Software Package (Option 1)
4. Domain Based Online Service (Option 2)
5. Shared Online Service (Option 3)

2.1. Pre-Requisites

1. Windows Workstation or Server with .NET 8 or latest
2. MS-SQL Server 2012 or Latest
3. Web Browser Client (IE, Edge, Firefox)
4. Network Option (LAN or Internet)

3. Licensing & Subscription

BABA Admissions software procurement and running is subjected to license subscription. Each license subscription is explained in following table.

Support agreement may be extended at 40% of original sales price for the same product.

No	License Subscriptions Purchase	Application	Period	Price (PKR)
1	BABA Admissions (One Time Software License for 1 School or 1 Branch)	1	no-limit	Rs.160000/=
2	Domain Based Online Service (Host & Domain Included)	-	1 Year	Rs. 40000/=
3	Shared Online Web Service (Host Included)	-	1 Year	Rs. 30000/=

Software prices (where applicable) are of one time purchase only or until customer purchases a new version or subscription.
